MERCEDES BENZ SPRINTER 14/19 seater

SMALL VIP MINIBUS WITH EXTRA LEG SPACE

This Sprinter offers seating for up to 19 adults and guide, who prefer especially comfort on long journeys. Sprinter offers plenty of luggage space. Vehicles of this type are in our fleet in Prague and Berlin. This minibus is equipped with three-point seat belts for all seats and generous legroom. Also it offers a big baggage area above to head. During driving, you could play your favorite DVDs, CDs and listen to music as well.

EQUIPMENT

- Wi-Fi
- Air conditioning
- USB sockets next to each seat
- Monitors for watching films
- Fridge
- Adjustable Mercedes Benz Luxline seats, Comfort seats
- Extended luggage compartment
- LED lighting for reading
- LED lighting along the aisle

SETRA 511 HD
32 seater

THE MOST POPULAR COACH FOR SMALL GROUPS

The compact S 511 HD model is a popular club coach, allowing a limited number of passengers to travel in comfort. The smallest coach in the Setra family (10.5 metres long), it is much swifter, more agile, and easier to control, whilst retaining all the features of an “adult” coach. Zigzagging its way through narrow streets or turning anywhere is child’s play for this coach. It mainly appeals to drivers who serve hotels in the centre of European capitals.

EQUIPMENT

- Wi-Fi
- Air conditioning
- 220 V power or USB plugs by each seat
- Monitors/TV – DVD, MP4
- Toilet
- Galley where hot drinks can be prepared
- Fridge
- Adjustable sprung Ambassador seats with higher headrests (can be extended to the side as well)
- LED lighting for reading
- LED lighting along the aisle

SETRA 515 HD 44/49 seater

THE PERFECT SOLUTION FOR BIGGER GROUPS

This perfect touring coach offers a lot of space for both passengers and luggages. Whether you are going on a short trip or along-distance journey, this is an ideal coach for universal use. Passengers appreciate all the gadgets it offers, plus its safety system features, on-road performance and aerodynamics, which ensure the coach stands apart from the competition.

EQUIPMENT

- Wi-Fi
- Air conditioning
- 220 V power or USB plugs by each seat
- Monitors/TV – DVD, MP4
- Toilet
- Galley where hot drinks can be prepared
- Fridge
- Adjustable sprung Ambassador seats with higher headrests (can be extended to the side as well)
- LED lighting for reading
- LED lighting along the aisle

SETRA 516 HD 53/54 seater

THE YOUNGEST COACH IN OUR FLEET

The next generation of the Setra meets the highest demands in terms of individuality and safety. The S 516 HD shines as a three-axle vehicle with a large passenger compartment, enormous payload and exclusive equipment options. At the same time, it remains amazingly agile.

EQUIPMENT

- Wi-Fi
- Air conditioning
- 220 V power or USB plugs by each seat
- Monitors/TV – DVD, MP4
- Toilet
- Galley where hot drinks can be prepared
- Fridge
- Adjustable sprung Ambassador seats with higher headrests (can be extended to the side as well)
- LED lighting for reading
- LED lighting along the aisle

MERCEDES TOURISMO 17 RHD 53 seater

VERSATILE COACH SUITABLE FOR EVERY JOURNEY

The Mercedes-Benz Tourismo is one of Europe's best-selling touring coaches, trusted by operators across the continent. It combines premium passenger comfort with outstanding safety, reliability and efficiency. Its spacious interior and smooth ride make it ideal for both short transfers and long-distance journeys. With proven German engineering and modern technology, the Tourismo delivers a first-class travel experience.

EQUIPMENT

- Wi-Fi
- Air conditioning
- 220 V power or USB plugs by each seat
- Monitors/TV – DVD, MP4
- Toilet
- Galley where hot drinks can be prepared
- Fridge
- Adjustable sprung Ambassador seats with higher headrests (can be extended to the side as well)
- LED lighting for reading
- LED lighting along the aisle

SETRA 516/517 HDH 50/58 seater

VIP COACH FOR THE MOST DEMANDING CLIENTS

Due to its length, the S 517 HDH model has the largest luggage compartment in its class. With 50–58 seats, it is the expert solution for long- distance journeys. Passengers will appreciate the tinted panoramic roof which offers a unique viewpoint. The equipment includes an efficient air conditioning system, quality multimedia system, galley, toilet, and 220 V socket next to each seat.

EQUIPMENT

- Wi-Fi
- Air conditioning
- 220 V power or USB plugs by each seat
- Monitors/TV – DVD, MP4, HDMI connection
- Toilet
- Galley where hot drinks can be prepared
- Fridge
- Adjustable sprung Ambassador seats with higher headrests (can be extended to the side as well)
- Panoramatic glas roof
- LED lighting for reading
- LED lighting along the aisle
